## § 706.2

### § 705.8 State-chartered credit unions.

State-chartered credit union loan applicants approved for participation by NCUA must obtain written concurrence from their respective state regulatory authority. Such applicants shall make copies of their state examination reports available to NCUA and shall agree to examination by NCUA for the limited purpose of compliance with this part.

### § 705.9 Application period.

NCUA will announce annually and publish in the FEDERAL REGISTER when applications for participation in the program may be submitted. Such notice will be dependent upon the availability of funds.

### § 705.10 Technical assistance.

Based on available earnings, NCUA may contract with outside providers to render technical assistance to participating credit unions. Participating credit unions can be provided with technical assistance without obtaining a Program loan. NCUA technical assistance will aid participating credit unions in providing services to their members and in the efficient operation of such credit unions.
